

INDEPENDENCE DAY CELEBRATIONS

Global Business School, Hubli celebrated the 70th Independence day at its premises by hoisting the national flag. The Chairman of GEN Society Shri Ramesh Kothari unfurled the national flag in the presence of the President Shri Bharat Jain, General Secretary Shri Jitesh Jain, Director Dr Anilkumar Garag, Dean Dr.M.N.Manik, staff and students. This was followed by the national anthem.

The Director began his speech by inviting the entire crowd to take an oath in making India a safe and growing country. He stressed on the need to keep the country united against vested interests which play upon differences of religion, caste, creed, color, race and regionalism. Speaking on the economy he opined that India is unaffected by the changes in the world economy. The disturbances in the European and other world markets hardly have an effect on the Indian markets. The growth rate was a matter of laughter at 2.5% post independence and is now outstanding at the rate of 8%.

He reminded us of the sacrifices made by Indians in the national movement. It is their efforts which have given us rights like freedom to assemble and freedom of free speech. He concluded saying that India is the largest democracy in the world and its great strength lies in unity despite its diversity and we should continue to maintain and preserve its social fabric.

GLOBAL EDUCATION NETWORK SOCIETY'S

GBS appreciates the entire team of students who have worked religiously, which indeed energized the environment and boosted the latent feeling of patriotism within all of us.
