

## National Education Day.

**“Right education should help the student, not only to develop his capacities, but to understand his own highest interest.” J.Krishnamurti**

On 11<sup>th</sup> Nov 2013 Global Business School, Hubli celebrated National Education Day in remembering of Maulana Abul Kalam birth anniversary. The program started with invocation song by Ms. Shilpa Nayak. Dr. Ramakant Kulkarni –Director GBS, welcomed the gathering. Shri. Gopalkrishna Hegde former editor of Vijaya Karnataka Daily Newspaper, Mr. Yashwant Ponkse – Branch Manager HDFC Mutual fund, Hubli. Pt. Dr. Mrityunjaya Shettar – Famous Vocalist, Mr. Ajay Suman Shukla – Coordinator LEAD Program DCSE were invited to be the Guest Speaker for this occasion.

Shri. Gopalkrishna Hegde, Mr. Yashwant Ponkse, Dr. Ramakant Kulkarni and Prof. Mahesh Bendigeri inaugurated the function by lighting the lamp.

*Shri Gopalkrishna Hegde* addressed the students on importance of self discipline, sports and time management. He said students should develop the habit of reading newspaper, participate in sports as these will energize both body and mind and keep person always active.

*Mr. Yashwant Ponkse* highlighted the importance of finance knowledge to become successful in the finance industry. He told students to focus on basic concepts in finance and understand its practical application. He also highlighted the importance of computer knowledge and certification courses in Finance Industry.

*Pt. Dr. Mrityunjaya Shettar* with his beautiful act of singing gave valuable inputs on communication skills, presentation skills and medical therapy to cure Blood Pressure and Diabetic. He told music has power of expressing various facets of life. He narrated the success story of Dr. M S Subbalakshmi, Smt. Gangubai Hangal and told students that nothing is impossible in life, provided you have dedication to work for it and achieve it.

*Mr. Ajay Suman Shukla* spoke on the importance of technology in today's life. Technology no doubt has made our life simpler, at the same time most of us are not aware of, as to how to use it, to enhance our knowledge and get connected with rest of the world. Mobile application like WhatsApp, Line, Google Chat, Facebook are most sought out application among the students. But these days' students rather than making use of them for some educative purpose, use it for most unproductive purpose. He urged the students to be innovative and start thinking of becoming an entrepreneur.

*Dr. Ramakant Kulkarni* – Director GBS gave presidential remarks,

# GLOBAL EDUCATION NETWORK SOCIETY'S

*Dr. Manik* – Dean Academics proposed the vote of thanks.

The program was coordinated by *Prof. Mahesh Bendigeri* and *Dr. Bhargav Revankar*.
