About

GLOBAL BUSINESS SCHOOL

Global Business School is the result of meeting of minds from IT, ITES, Business Management Education, Bureaucrats, Businessmen, and the sheer young minds to setup world-class learning environment of management professionals.

Global Business School is the only Corporate B-School in this part of Karnataka and is one of the premier management education institute. This Twin-City Campus is located at Bhairidevarkoppa, Hubli-Dharwad road and is a unique establishment designed specially for intensive learning and extensive research.

Vision

We create managers for tomorrow's business world who grow to be able leaders

Mission

We aspire to use contemporary and experiential management aspects to train graduates in managing and leading organisations

Chairman's Message

Global Business School or GBS is a well recognised B School for academics resulting in 100% placement. Our academic advisers are from IIT and IIM who design live projects so that your experiential learning is the best. Best practices in IIM are included in the form of Value added courses from leading corporate trainers from Bangalore. Come and join our GBS family and win attractive scholarships and hopefully a 10 lakh job!

Message from Placement Officer

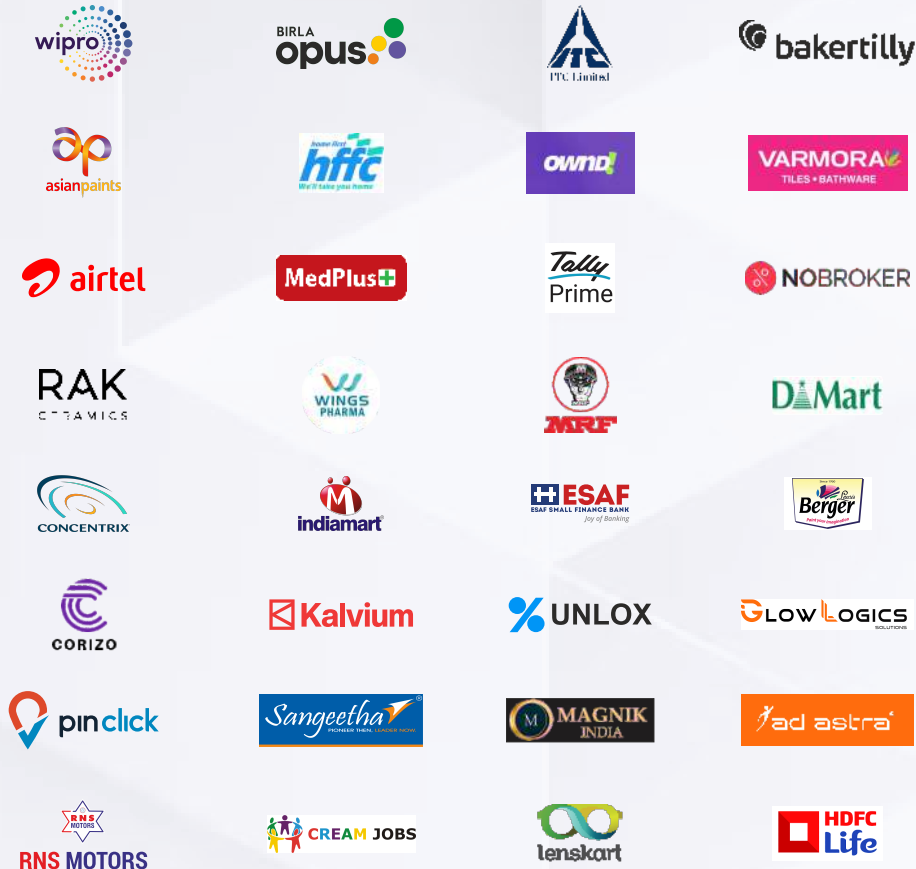

Dr. Mahindra K Hullur
Placement Officer

At the Global Business School, the Placement Cell is dedicated to guiding and empowering our students on their professional journeys. With an 18-year legacy of academic excellence and strong industry partnerships, we strive to develop confident, competent, and future-ready professionals.

Our carefully curated training programs focus on enhancing communication skills, analytical thinking, interview preparedness, and overall personality growth. Beyond classroom learning, students gain meaningful real-world experience through internships, expert-led workshops, and live projects — all designed to meet the evolving needs of today's industries.

The achievements of our alumni across various sectors and roles reflect the quality of our graduates and the robustness of our placement ecosystem.
