Message from Placement Manager

Dr. Mahindra K Hullur
Placement Officer

The Placement Cell at Global Business School plays a pivotal role in shaping the professional trajectories of our students. Backed by an 18-year legacy of academic excellence and industry collaboration, we are dedicated to fostering talent that is confident, capable, and future-ready.

Our meticulously designed training programs emphasize communication proficiency, analytical aptitude, interview techniques, and holistic personality development. In addition, students benefit from real-world exposure through internships, expert-led sessions, and live projects, ensuring alignment with evolving industry demands.

The accomplishments of our alumni across diverse roles and sectors stand as a compelling testament to the quality of our graduates and the strength of our placement ecosystem. Our mission is to cultivate well-rounded, socially conscious individuals empowered to reach their full potential and contribute meaningfully to the global workforce.

As the Placement Officer, I reaffirm our unwavering commitment to supporting both students and industry partners in building impactful and enduring career pathways.

Management Events

The philosophy at GBS is learner-centric in delivery, and of quality content. This helps in moulding students to make them "industry ready" and creates leaders of tomorrow. To achieve this, students are encouraged to undertake activities where they can apply their learnt management skills and gain practical knowledge. It is on the job type of learning or rightly said "experiential learning". At GBS experiential learning is routed through many student driven events.
