PLACEMENT BROCHURE

Batch of 2023-25

"We create managers for tomorrow's business world who grow to be able leaders"

VISION

"We aspire to use contemporary and experiential management aspects to train graduates in managing and leading organisations"

MISSION

MESSAGE FROM THE PLACEMENT CELL

Dr. Mahindra K Hullur
Placement Officer

The Placement Cell at Global Business School (GBS) plays a pivotal role in shaping the career aspirations and accomplishments of our students. With an impressive legacy of 18 years marked by academic distinction, strong industry engagement, and consistent student success, our mission remains steadfast—to nurture graduates who are academically strong, professionally adaptable, ethically responsible, and globally competitive.

At GBS, we understand that the journey from campus to corporate life is a defining transition. To support this progression, our Pre-Placement Training (PPT) program is thoughtfully designed to strengthen essential competencies such as communication, analytical reasoning, problem-solving, and interpersonal skills. These capabilities are further refined through specialized modules on aptitude development, group discussion techniques, and interview preparedness that closely simulate real corporate hiring practices.

Beyond traditional learning, students benefit from extensive industry exposure through internships, corporate workshops, expert-led guest sessions, and real-time business projects. Such opportunities help bridge the gap between theory and application, foster industry understanding, and build the confidence needed to succeed in fast-paced business environments. A distinctive highlight of our training ecosystem is the Global Daily Review (GDR), which sharpens critical thinking, enhances presentation skills, and builds awareness of current business trends—competencies crucial for today's evolving market landscape.

We take great pride in our alumni, whose achievements span multinational corporations, start-ups, public sector organizations, and entrepreneurial ventures. Their accomplishments reflect the strength of our placement framework and serve as a source of motivation for current students to strive for excellence.

Our long-standing partnerships with industry leaders have significantly enriched the career opportunities available to our students. These collaborations are grounded in mutual trust, shared goals, and a collective commitment to developing talent that contributes effectively from day one.

At Global Business School, we view placements not merely as job opportunities but as pathways to empowerment. Our focus is on shaping responsible, self-motivated, and industry-ready professionals who can add value to their organizations and society.

As the Placement Officer, I express my sincere gratitude to our esteemed recruiters, alumni, faculty members, and training partners for their unwavering support. I also assure our students that the Placement Cell remains committed to guiding, mentoring, and preparing them to make informed career decisions and embark on fulfilling professional journeys.

Together, we envision a future where every GBS student not only secures a role that resonates with their aspirations but also emerges as a leader, an innovator, and a lifelong learner in an ever-evolving global workforce.

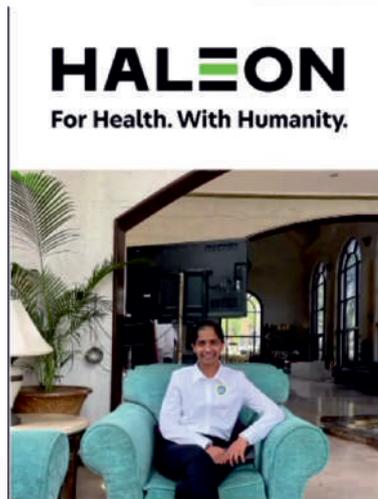

Sneha C Masalaji
Placement- Co- ordinator

With an 18-year legacy of academic excellence, GBS is committed to strengthening the connection between students and the placement cell, ensuring clarity, accessibility, and consistent support throughout the placement journey. As the Placement Coordinator, my role is to facilitate effective communication, address student concerns, and guide students through a structured and student-centric placement process.

GBS takes pride in its robust placement outcomes, reflected in an impressive 90% placement success rate, underscoring the institution's industry relevance, focused training approach, and strong corporate engagement.

Aligned with the core values of GBS, our vision is to nurture competent, confident, and ethically grounded professionals. We envision nurturing professionals who are not only employable, but empowered to shape industries and inspire change

Cultivating Industry-Ready Professionals: The Pre-Placement Training Process at Global Business School

At Global Business School, the Pre-Placement Training (PPT) initiative is a strategically crafted program designed to groom students into competent, confident, and industry-ready professionals. Spanning the first three semesters, the program adopts a phased and personalized approach to skill development, assessment, and real-world readiness, ensuring holistic preparation for the dynamic corporate landscape.

1. Skill Assessment Test (SAT I) – 1st Semester

The journey commences with the Skill Assessment Test (SAT I), which serves as a diagnostic tool to evaluate students' foundational competencies. This comprehensive test assesses proficiency in:

▶ **Quantitative Aptitude** ▶ **English Language Proficiency** ▶ **Current Affairs Awareness** ▶ **Logical Reasoning**

2. Gap Analysis & Identification of Training Needs

Based on SAT I performance, a detailed analysis is conducted to identify each student's areas of strength and those requiring improvement. This enables the formulation of customized learning pathways, ensuring training modules are precisely aligned with individual developmental needs.

3. Skill Enhancement & Progressive Assessments (SAT II & SAT III) – 2nd & 3rd Semesters

The subsequent semesters focus on deepening core competencies through **SAT II** and **SAT III**, which include advanced training interventions in the following domains:

▶ **Enhanced Aptitude Modules** ▶ **English Mastery Sessions** ▶ **Current Affairs Engagements**
▶ **Advanced Reasoning Workshops**

4. Ongoing Evaluation & Personalized Feedback

A robust system of continuous assessment ensures that students' progress is systematically tracked throughout the training journey. Periodic evaluations, mock drills, and feedback forums facilitate real-time insights into their growth trajectory, allowing for agile adjustments to training strategies.

5. Placement Preparedness & Industry Engagement

By the culmination of the third semester, students are holistically prepared for placement processes. The training encompasses:

▶ **Mock Interviews & Group Discussions** ▶ **Professional Grooming** ▶ **Industry Immersion**

6. Structured Placement Assistance

The Placement Cell plays a proactive role in facilitating employment opportunities through:

- ▶ **On-campus recruitment drives**, job fairs, and exclusive hiring events.
- ▶ **Resume-building and interview preparation workshops**, designed to elevate each student's candidature.
- ▶ **Career counseling and alumni engagement**, offering valuable mentorship and professional guidance.

7. Our Objective: Placing You First

At Global Business School, our guiding philosophy is clear—students come first. We are deeply committed to shaping successful career trajectories through a student-centric approach that prioritizes individual potential, structured preparation, and meaningful industry engagement. Every initiative of our Placement Cell is aimed at transforming students into competent, confident, and industry-ready professionals.

THE PLACEMENT CELL: BRIDGING ACADEMIA AND INDUSTRY

Our dedicated Placement Cell plays a pivotal role in aligning student aspirations with corporate expectations. Its core responsibilities include the seamless execution of internship and placement activities, cultivating industry relationships, and preparing students for the competitive hiring landscape.

- ▶ **Industry Interface**
- ▶ **Summer Internships**
- ▶ **Final Placement Preparation**

PRE-PLACEMENT READINESS: STRUCTURED SKILL DEVELOPMENT

▶ **Soft Skills & Career Guidance**

Beyond technical skills, we believe in nurturing the personal and professional development of every student. Through our Soft Skill Training Programs, we help students explore career options aligned with their strengths, interests, and prior experiences. Emphasis is placed on communication skills, confidence-building, interpersonal effectiveness, and overall professionalism.

▶ **GDR – Global Daily Review**

The Global Daily Review (GDR) is a signature initiative at GBS that sharpens students' presentation abilities and business acumen. As part of this platform, students deliver structured presentations on contemporary and management-related topics, thereby developing analytical thinking, articulation, and domain awareness—all essential for career success.

CORPORATE INTERNSHIPS: PRACTICAL EXPOSURE WITH PURPOSE

Our internship framework is meticulously designed to bridge the gap between classroom learning and corporate execution. Leading companies are invited to conduct orientation sessions, mentor selected students, and assign them live business projects. These internships help students gain actionable insights into industry operations, work culture, and functional expectations.

FINAL PLACEMENTS: EARLY START, STRONG RESULTS

The placement season begins as early as the third semester, allowing sufficient time for interviews and offer finalization. By the onset of the fourth semester, more than 75% of the students are placed in reputed organizations across diverse sectors.

We extend our heartfelt gratitude to our esteemed corporate partners for their continued trust, mentorship, and opportunities extended to our students. Their support reinforces our standing as one of the Corporate business schools in the North Karnataka, known for both academic rigor and career excellence.
